

國立中興大學跨域創新生技國際博士學位學程博士學位 候選人資格考核施行細則

Implementing Regulations for the Doctoral Candidate Qualifying Examination in the
International Doctoral Program in Interdisciplinary Innovative Life Science and Technology,
National Chung Hsing University

113 年 9 月 18 日學程會議通過

September 18, 2024-passed at the Affairs Meeting

第一條 本施行細則依據本校「博士候選人資格考核要點」及本學程「學生修業要點」訂定。

Article 1 The implementing regulations for the doctoral candidate qualifying examination in the International Doctoral Program in Interdisciplinary Innovative Life Science and Technology (hereinafter referred to as TILST), National Chung Hsing University are established under the TILST postgraduate study and degree examination implementation measures and other relevant regulations formulate these regulations.

第二條 本學程研究生提出自行撰寫之學位論文研究計畫書，其計畫書之撰寫需參照科技部或國家衛生研究院之研究計畫撰寫格式，考核內容須口頭報告，並經考核委員會三分之二（含）以上委員評定通過後，由本學程通知教務處登錄為博士學位候選人。

Article 2 Students of TILST shall submit a research proposal for their dissertation. The proposal shall be written in accordance with the research proposal writing format of the National Science and Technology Council or the National Health Research Institutes. The content of the proposal shall be reported orally and approved by the evaluation committee. After more than two-thirds of the committee members have passed the evaluation, TILST will notify the Office of Academic Affairs to register the candidate as a doctoral candidate.

第三條 本學程研究生資格考核應於第四學年結束前完成，若遇特殊情況者，經學程會議同意得延長期限。不及格者得重考一次，若二次均不及格者，應予以退學。擬舉行資格考試日期至少四週前，向本學程提出博士學位候選人資格考核申請，每學期以一次為限。考核通過成為博士學位候選人後，始得參加博士學位考試。

Article 3 The qualification assessment for postgraduate students in TILST should be completed before the end of the fourth academic year. In case of special circumstances, the deadline may be extended with the consent of the program meeting. Those who fail the exam may retake it once. If they fail twice, they shall be expelled from the university. Application for PhD candidate qualification examination should be submitted to TILST at least four weeks before the proposed qualification examination date, and is limited to once per semester. Only after passing the assessment and becoming a doctoral degree candidate can one take the doctoral degree examination.

第四條 本學程接受博士學位候選人資格考核申請後，應組織「博士學位候選人資格考核委員會」。考核委員人選由指導教授推薦至少五人，指導教授為當然委員但不得擔任召集人，其考核委員聘任資格：

- (一)曾任校內外之教授或獲有博士學位之助理教授(含)以上。
- (二)曾任研究機構之研究員或獲有博士學位之助理研究員(含)以上。
- (三)非學術單位或研究機構，但獲有博士學位並具有學術著作。
- (四)未於前述三項資格所包括之委員，則於學程會議討論之。

Article 4 After accepting the doctoral candidate qualifying examination application, TILST shall organizes a "Doctoral Candidate Qualifying Examination Committee". The members for the qualifying examination committee shall be recommended by at least five people. The advisor is an ex-officio member but may not serve as convener. The qualifications for appointment as Qualifying examination committee members are as follows:

1. Serving as a professor or assistant professor with a doctorate degree or above on or off campus.
2. Served as a researcher at a scientific research institution or an assistant researcher with a doctorate degree or above.
3. Non-academic units or research institutions, but have a doctorate and academic publications.
4. Committee members who do not meet the above three qualifications will be discussed at the committee meeting.

第五條 本學程研究生修滿課程委員會所排定應修之學分、科目，始得提出博士學位候選人資格考

核申請。

Article 5 Students of TILST must complete the required credits and courses in accordance with the regulations of the curriculum committee before they can apply for the doctoral candidate qualifying examination.

第六條 本施行細則經學程會議通過後公告實施，修訂時亦同。

Article 6 The implementing regulations shall be promulgated and implemented after being approved by the affairs meeting, and the same applies to any amendments.
